

PRESS RELEASE

7th EfCCNa Congress (15-18 Feb.2017)

March / 2017

WORLD FEDERATION OF CRITICAL CARE NURSES

Highlights from the 7th EfCCNa Congress

At the European Federation of Critical Care Nursing Associations (EfCCNa) meeting in Belfast, Northern Ireland, held 15-18 February 2017, the inaugural Joint Session of Critical Care Nursing Organizations and the European Society of Intensive Care Medicine (ESICM), Nursing and Allied Health Section (N&AHP), the Society of Critical Care Medicine (SCCM), and the World Federation of Critical Care Nurses (WFCCN) was held. Collectively, these critical care nursing organizations represent over 600,000 critical care nurses worldwide. The Joint Session highlighted the work of each individual organization and became evident in collectively advancing critical care nursing practice. As a result, the Belfast Declaration is in the process of adopting.
