WORLD FEDERATION OF CRITICAL CARE NURSES

CONNECT Journal Aligns with Springer Publishing

The WFCCN is excited to share with you our recent collaboration with Springer Publishing Company, an established innovative nursing, social sciences, and medical publisher. Springer Publishing will assist with the publication of CONNECT, the official WFCCN journal. This collaboration enables WFCCN the opportunity to provide even higher quality publication and editing services to its membership. Anticipate the new format starting with the September 2018 issue.
