

PRESS RELEASE

**World Federation of Critical Care Nurses Releases
International Best Practice eBook**

February / 2019

WORLD FEDERATION OF CRITICAL CARE NURSES

The WFCCN is excited to share with you the **International Best Practices in Critical Care Nursing E-Book 2nd edition** created by international critical care nurses for critical care nurses. The editors of the e-book are Dr. Sandra Goldsworthy, Dr. Ruth Kleinpell and Ged Williams. Chapters include important foundational topics for critical care nurses including: Global Critical Care issues; Stroke; Shock and Multiple Organ Dysfunction Syndrome; Safety and Quality; Deteriorating Patient Recognition and Management; Traumatic Brain Injury; Liver disease; Paediatric Concerns; Prevention from Harm; Family Centred Care; Arrhythmias and Cardiac Care; and Nurse Sensitive Outcomes. Free access is available at: <https://wfccn.org/ebook/>
